

Dirt Made My Lunch

Steve Van Zandt

Chorus

C G C F C
Dirt made my lunch. Dirt made my lunch.
F C
Thank you dirt, thanks a bunch
F C
For my salad, my sandwich, my milk, my munch.
G C
'Cause dirt, you made my lunch.

1.

Am C
Dirt is a word we often use
Am C
When we talk about the earth beneath our shoes.
Am C
It's a place where plants can sink their toes
F G
And in a little while a garden grows.

2.

Am C
A farmer's plow will tickle the ground.
Am C
You know the Earth has laughed when wheat is found.
Am C
The grain is taken and the flour is ground
F G
For making a sandwich to munch on down. (Chorus)

3.

Am C
A stubby green beard grows upon the land.
Am C
Out of the soil the grass will stand.
Am C
But under hoof it must bow
F G
For making milk by way of a cow.
