

# Twinkle, Twinkle Little Star

G                    C   G  
Twinkle, twinkle, little star,  
C   G            D            G  
How I wonder what you are.  
G   C            G            D  
Up above the world so high  
G   C            G            D  
Like a diamond in the sky.  
G                    C   G  
Twinkle, twinkle, little star,  
C   G            D            G  
How I wonder what you are?

G                    C            G  
When I go to sleep at night,  
C            G            D            G  
Thanks for keeping me in sight,  
G            C            G            D  
Please keep watch upon the earth,  
G   C            G            D  
Keep it safe 'til morning light.  
G                    C   G  
Twinkle, twinkle, little star,  
C   G            D            G  
How I wonder what you are?
